Profile

Mr. Tran Hai Thinh is an Associate in our corporate and competition practice. With 4 years of experience and expertise in competition and licensing matters, he has advised on many M&A transactions, competition matters as well as providing advice on the daily operations of both domestic and foreign invested companies.

Work Highlights

- Assisted leading semiconductor company Advanced Micro Devices in securing unconditional Vietnam clearance for its USD 35 billion acquisition of FPGA inventor Xilinx.
- Assisted medical technology leader Siemens Healthineers in securing unconditional Vietnam clearance for its USD 16.4 billion acquisition of Varian Medical Systems.
- Assisted Hyundai Heavy Industries Holdings in securing unconditional Vietnam clearance for its acquisition of a controlling interest in leading construction equipment manufacturer Doosan Infracore.
- Assisted Tiki, one of Vietnam's leading e-commerce platforms, in securing unconditional merger clearance for its sales of a controlling interest to Tiki Global Pte Ltd. The transaction is part of Tiki's Series E fund raising.
- Assisted China Baowu Steel Group Corporation, one of China's largest SOEs, in securing unconditional Vietnam clearance for its acquisition of Taiyuan Iron and Steel (Group) Co., Ltd.
- Assisted TCL China Star Optoelectronics Technology in securing unconditional Vietnam clearance for its USD 1.08 billion acquisition of Samsung Display's LCD panel manufacturing sites in Suzhou, China.
- Assisted Marsh Vietnam in securing unconditional clearance for its acquisition of and merger with JLT Vietnam. The transaction is part of a restructuring scheme following leading insurance broker Marsh McLennan's USD 5.6 billion acquisition of Jardine Lloyd Thompson Group plc.
- Advised and conducted licensing procedures to obtain licenses for retail chain outlets of a Japanese Group;
- Obtained amended business licenses for distribution of goods and e-commerce services for a Vietnam - Thailand Joint Venture;
- Assisted in conducting training on anti-trust and anti-bribery for many foreign invested companies;

- Advised multiple foreign invested companies on competition matters, from reviewing commercial contracts to advising on competition compliance and merger notification issues.
